The great gifts of Easter are faith, hope and love. Faith: the belief that Christ has triumphed over evil despite appearances and that the Resurrection is the definitive act in human history. Hope: which makes us have that confidence in God, in his ultimate triumph, and in his goodness and love, which nothing can shake. Love: through the power of the Resurrection comes salvation. So, we celebrate the mystery of the Resurrection, proclaim our faith, live in hope, and share Christ's love --- and we give thanks for all beautiful these gifts. (SacredSpace.com) Happy Easter!

**Alleluia** is a Hebrew word of joyful praise. Find where it is used in the Book of Psalms or Tobit. It is <u>the</u> word for the Easter season. Make a family banner and put it in your home. Better yet, put it on the outside of your home and share the good news with your neighbors. (Leave it up for the entire fifty days.)

### Message from the Office of Catechesis:

Last year at this time the world was thrown into a lockdown. We shared faith, hope and love together within our homes and social media kept friends, co-workers and the faith community connected in a new way. On Palm Sunday 2020, the first issue of BuildingFaith@Home was created followed by daily editions through Holy Week and the Eastertide. It has continued since. As we move forward, we would like to hear from you so that we may offer this in a way that best serves you and your family. Please take a few minutes to complete this very short survey (six questions only!). We thank you so much for your support!

The Blessed Sacrament During the pandemic lockdowns, receiving the Holy Eucharist was not an option for many. As we come out of the pandemic, reflect on what it was like to be separated from Holy Eucharist and what it means to you to receive the Holy Eucharist again.
