

## THE GOSPEL OF MARK

The Gospel of Mark portrays Jesus as a man of action who heals the suffering and accepts his own suffering as the cost for following God's will. This Gospel was written for followers of Jesus who were experiencing persecution for their beliefs. Jesus' compassion for the suffering of others was a comfort to them.

This activity has multiple steps. First, read the reference in each box and decipher the jumbled word in the same box. Then, match the statements in the list below to the condition or affliction in each box, putting the number of the matching statement in the correct box. When you finish, the numbers you have put in the boxes should add up to the same total across, up and down, and diagonally.
