

Mary, Mother of Our Church

During the month of May, the Catholic Church honors Mary, Mother of God. The rosary is prayerful devotion to Mary that can be said every day, especially during this month. As disciples of her Son, we strive to imitate the virtues of our Blessed Mother. The following activity notes a special flower each day of May that is dedicated to Our Lady which corresponds with a particular virtue. When you offer to Mary each day of May the acts of the designated virtue, you will have presented her with a most beautiful spiritual bouquet of flowers by her glorious feast on May 31, the Queenship of Mary.
